Wonder is a mentoring program matching children living in foster care, one-to-one, with caring, consistent adults. The mentors are trained to listen, support, and guide each child through fun, age-appropriate experiences in music, the arts, sports, volunteer service, dining out, and nature.

The children enrolled in the program are ages 5-15 and are called "Explorers." The adults who volunteer and serve as mentors are called "Guides."

Together, they participate in a journey of fun and exploration filled with Wonder moments.
